Where Shin Sekai awaits you

12.20 SAT

上智大学10号館講堂

Shinichi Izumi

和泉 伸一

上智大学 外国語学部 英語学科教授。 応用言語学、特に第二言語習得を専門とする。 研究活動に加え、英語教員向けの研修を 全国各地で行う。内容言語統合型学習(CLIL) など英語学習・教育関連の著書多数。

Professor at the Department of English
Studies, Faculty of Foreign Studies, Sophia
University. Professor Sean Izumi is one of the
leading experts in applied linguistics, whose
field of expertise is second language
acquisition. Besides conducting research at the
university, he regularly holds seminars for
English teachers all over Japan. He has
published books for both English learners and
educators, including the ones on Content and
Language Integrated Learning (CLIL) method.

上智大学 国際教養学部学生。
コロナ禍をきっかけに興味を持った環境問題を
軸に、映像制作や環境教育に取り組んでいる。
関連テーマの国際プログラムや交流活動に
積極的に参加しており、「人との関わり」の
重要さやそこから見つかる小さな発見を
大切にしている。

Yuta Aihara is a student of the Faculty of Liberal Arts at Sophia University. Since the COVID-19 pandemic, he has focused on environmental issues, engaging in video production and environmental education. Yuta actively participates in international programs and exchange activities related to these themes, emphasizing the importance of and discoveries through connections with people.
